

FALL 2017 JUNIOR TUTORIAL CLASS LISTS

This semester, 79% of junior concentrators received their first choice. If you used your “strong first choice” and were not placed into your first choice tutorial, you are guaranteed your preferred tutorial in the spring semester.

Please note that you must attend the first tutorial meeting to guarantee your spot in the tutorial.

If you would like a spot on a tutorial waiting list or would like to change tutorials, please email Anya Bassett (anya_bassett@harvard.edu), the Faculty Head of Junior Tutorials. Please do **NOT** email the individual tutorial leader, as only Dr. Bassett may make changes to the class lists.

Spots in tutorials with fewer than ten students will be given away on a first come, first served basis. **Students will not be able to add a tutorial after it has met twice.**
