Re: Junior Tutorial Information: IMPORTANT!

Welcome Back! We can’t wait to see you in person!

To learn more about fall junior tutorials, please review syllabi and course policies, which will be on each tutorial’s canvas site by Monday, August 16th.

Most junior tutorial faculty will be holding 1-2 Zoom meetings between August 17th and August 24th to give you a chance to hear about their courses and ask questions. Links to those meetings will be on each tutorial’s canvas site and will be also be sent as one document to all juniors.

You can enter the junior tutorial lottery by filling out this Google Form. You must indicate four choices on your form, or we will not be able to guarantee you a junior tutorial spot.

The deadline for submitting a junior tutorial lottery form is Tuesday, August 24th by 11:59 p.m. Results will be announced by Wednesday, August 25th.

You may designate either your fall or your spring tutorial as your “strong first choice.” If you designate your fall tutorial as your strong first choice, you will get top priority for it, and lower priority for your spring tutorial. If you designate your spring tutorial as your strong first choice, you will get lower priority in the fall and top priority in the spring. Designating a strong first choice does not guarantee that you will get into the tutorial as we have a maximum of 10 spots in each one, but in the past the vast majority of students who designated a tutorial as their strong first choice got into it. If you designate your strong first choice in the fall and do not get it, you can use a strong first choice again in the spring.

Tutorials begin the week of September 1st (classes on Wednesday, September 1st will follow a Monday schedule).
